

SEN

Pupils with Special Educational Needs and Disability (SEND) have the greatest need for excellent teaching and are entitled to provision that supports achievement at, and enjoyment of, school.

The attainment gap between pupils with SEND and their peers is twice as big as the gap between pupils eligible for free school meals and their peers. However, pupils with SEND are also more than twice as likely to be eligible for free school meals.

- Create a positive and supportive environment for all pupils without exception
- Build an ongoing, holistic understanding of your pupils and their needs
- Ensure all pupils have access to high quality teaching
- Complement high quality teaching with carefully selected small-group and one-to-one interventions.
