

COULD YOU BE A CHAMPION-AT LEARN-AT?

Are you passionate about all things digital and want to support the children and staff in your school to improve their outcomes?

Or are you curious about the future of technology and want to learn more?

Learn-AT is giving **all colleagues** the chance to achieve the Level 3 Digital Champion: Education qualification.

This 12 month blended learning course will take you on a practical journey of digital skills development and transformation. Learning will take place online in small groups with a dedicated work-place coach, with flexible timings based on your role.

By taking part in this course you will be able to:

- Improve student outcomes and prepare them for the world of work
- Reduce staff workload improving staff retention and general wellbeing.
- Reduce expenses linked to reprographics, IT support, staff hours and hardware
- Improve your future employability prospects
- Benefit from student discounts across a range of companies

Register your interest [here](#) to find out more!

“This has been the most transformational piece of professional development I have undertaken in over a decade.”
