

COULD YOU BE A CHAMPION-AT LEARN-AT?

Are you passionate about all things digital and want to support the children and staff in your school to improve their outcomes?

Or are you curious about the future of technology and want to learn more?

Learn-AT is looking for exceptional teaching staff to help drive the delivery of digital transformation in schools as a Digital Leader.

This 12 month blended learning course, with modules delivered by industry EdTech experts including Microsoft and Google, will give you the skills to be able to understand and plan for the role of technology within your own school to:

- Improve student outcomes and prepare them for the world of work
- Enhance teaching and learning
- Narrow the digital divide
- Embed accessibility tools and raise aspirations amongst students
-

Register your interest [here](#) to find out more!

“It is rewarding to be part of introducing change to a school and seeing the joy as staff and children embrace the new technology. You don’t have to be an expert in technology, you will be taught all the techniques.”
