CAPITAL GRANTS

- 18) The Trustees and the Diocesan Authority acknowledge the Secretary of State's power to pay Capital Grant to the Company and in recognition of the Trustees' and the Diocesan Authority's interest in any Capital Grant paid in relation to expenditure on Land, the Secretary of State commits to the following:
- a) to acknowledge the Trustees' and the Diocesan Authority's right to consent to the carrying out of any works to Land whether or not such works are to be paid for from any Capital Grant;
 - b) to recognise the Trustees' and the Diocesan Authority's interest in ensuring that any works to Land are carried out properly and that the Trustees or Diocesan Authority may be procuring or providing support to the Company in the procurement of such works; and
 - c) at the Secretary of State's discretion, to make any Capital Grant to the Diocesan Authority in respect of capital expenditure incurred or to be incurred by them on behalf of the Company.
- 19) To the extent that the Secretary of State considers it necessary, in order to protect the value of any future public investment in the Land and in recognition of the Trustees and the Diocesan Authority allowing the Land to be used for the purposes of the Academy, then the Secretary of State may require the Company and the Trustees and the Diocesan Authority to enter into a further agreement in

relation to such further public investment and Capital Grant. If the Secretary of State determines such further agreement is required, then the parties agree to negotiate in good faith with a view to reaching agreement to enable such Capital Grant, and future public investment, to be paid.

INTERVENTION AND SUPPORT

- 20) The Trustees and the Diocesan Authority acknowledge the Secretary of State's right to terminate the Funding Agreement in the circumstances envisaged in the Funding Agreement. The Secretary of State agrees with the Trustees and the Diocesan Authority before taking any such action and in particular serving any Termination Warning Notice to notify the Trustees and the Diocesan Authority that he intends to take action giving his reasons for such action and to allow the Trustees and the Diocesan Authority a reasonable opportunity to make representations regarding such action, including any actions that the Trustees and the Diocesan Authority intend to take to remedy any failing of the Academy, to which the Secretary of State will have due regard before finally taking any action.
- 20A) Without prejudice to the generality of clause 20 above, to the extent the Secretary of State has concerns as to the suitability of any director or member of the Company (the **Relevant Appointee**), the Secretary of State will notify the Diocesan Authority of his concerns before exercising any available remedies in respect of the Relevant Appointee under the Funding Agreement.
- 20B) As soon as possible following the Secretary of State providing notification under clause 20A, the Secretary of State and the Diocesan Authority will meet to discuss the Secretary of State's concerns. The Diocesan Authority agrees to provide any further information on the Relevant Appointee which is reasonably requested by the Secretary of State and:
- (a) the Diocesan Authority acknowledges that the Secretary of State may, in his absolute discretion, carry out any additional due diligence on the Relevant Appointee and agrees to act reasonably in co-operating with any requests for assistance by the Secretary of State; and

(b) the Secretary of State agrees to share any information of concern with the Diocesan Authority and to consult with the Diocesan Authority as to what remedial action should be taken in respect of the Relevant Appointee.

- 20C) To the extent the Diocesan Authority agrees that the Secretary of State's concerns regarding a Relevant Appointee have merit, the Secretary of State acknowledges that the Diocesan Authority may, in the first instance, determine what remedial action to take in respect of that Relevant Appointee before the Secretary of State exercises any available remedies under the Funding Agreement.
- 20D) If the Diocesan Authority does not agree with the Secretary of State's concerns regarding a Relevant Appointee, or the Diocesan Authority (in the Secretary of State's opinion) unreasonably delays taking remedial action or does not otherwise (in the Secretary of State's opinion) take appropriate remedial action, the Secretary of State shall issue a notice under the Funding Agreement requesting that the Diocesan Authority reconsiders its approach, together with any further supporting information of concern.
- 20E) To the extent the Diocesan Authority does not reconsider its approach, or otherwise does not take remedial action to the Secretary of State's satisfaction, the Secretary of State reserves the right to exercise any available remedies available to him under the Funding Agreement.
- 20F) Notwithstanding clauses 20D and 20E, the Secretary of State acknowledges and agrees that the decision to remove a Relevant Appointee is the sole responsibility of the Diocesan Authority.
- 21) Not used.
- 22) In the spirit of partnership, where the Trustees and/or the Diocesan Authority put forward a school improvement plan, whether or not in the circumstances envisaged in clause 20, the Secretary of State will consider any proposals within it and in good faith will consider any resource or funding implications, without, for the avoidance of doubt, being under any obligation pursuant to this Agreement to agree to fund such proposals.

- 23) The Secretary of State agrees to meet the costs of any relevant statutory denominational inspection proposed by the Trustees or Diocesan Authority provided these do not occur any more often than once every three years.
- 23E) The parties acknowledge that clauses 2.24 and 2.25 of the Master Funding Agreement apply to all academies.
- 23F) The parties recognise that the provisions set out in clauses 2.24 and 2.25 of the Master Funding Agreement prohibit the teaching as scientifically proven fact, of theories which are contrary to scientific evidence and ensure that schools teach evolutionary theory. The parties recognise that they apply to church schools as they would to all other schools. The parties also recognise that the requirement on every academy and free school to provide a broad and balanced curriculum, including the provision for the teaching of evolution, does not preclude church academies' curriculum conforming to, or their teaching being in accordance with, the tenets of the Church of England.
- 23G) The Secretary of State acknowledges that clauses 2.24 and 2.25 of the Master Agreement, and clause 23F above, do not prevent discussion of a range of beliefs about the origins of the Earth and living things, as long as it is not presented as a valid alternative to academically defensible scientific facts.

TERMINATION

- 24) The Trustees may give not less than two years written notice to the Company and the Secretary of State to terminate this Agreement.
- 25) In the event of any termination of the Funding Agreement in circumstances where the Academy would not otherwise be closing, the Secretary of State will have due regard to any wishes of the Trustees and/or the Diocesan Authority with regard to the future of the school as a "voluntary" maintained school for the purposes of the School Standards & Framework Act 1998.
- 26) Notwithstanding any termination or expiry of this Agreement the provisions of clause 25 shall continue to apply.

MISCELLANEOUS

- 27) Any notice or other communication concerning this Agreement shall be sent, in the case of a notice or communication from the Secretary of State to the Trustees and Diocesan Authority at their registered offices or such other addressees/addresses as may be notified in writing from time to time by the Trustees and Diocesan Authority and, in the case of a notice or communication from the Trustees and Diocesan Authority to the Secretary of State to Head of Academies Division, Department for Education, Sanctuary Buildings, Great Smith Street, London SW1P 3BT; or such other address as may be notified from time to time by the Secretary of State and where any such notice or communication is sent by post, unless the contrary is proved, it shall be deemed, subject to satisfactory proof of posting, to be effected at the time at which the letter would be received in the ordinary course of post.
- 28) a) The Company shall not enter into any other agreement with any person, the terms of which are inconsistent with, or contrary, the terms of this Agreement.
- (b) If the Company, in breach of clause 28(a), enters into such an agreement, then, in so far as any clause or clauses of that agreement are inconsistent with, or contrary to, the terms of this Agreement ('the conflicting clauses') the parties agree that, to the extent they are lawfully permitted to do so, they will:
- i) treat the conflicting clauses as if they were void and of no effect;
 - ii) not rely on or enforce the conflicting clauses; and
 - iii) not act in accordance with the conflicting clauses.
- 29) No term of this Agreement is intended to give any entitlement as against any party to any person who is not a party to this Agreement and no term of this Agreement may be enforced by any person other than a party under the Contracts (Rights of Third Parties) Act 1999.
- 30) Save for clause 28 the obligations of the parties are several and for the avoidance of doubt none of the Company Trustees or Diocesan Authority shall be deemed to be liable in respect of the acts or omissions of the other as between

these parties and the Secretary of State.

- 31) For the avoidance of doubt nothing in this Agreement is intended to vary or amend any provision of the Funding Agreement or any obligation arising under it.
